

Parents and Guardians,

We are writing to inform you that your child is eligible to receive the COVID-19 vaccine in New York State. Depending on the vaccine manufacturer, your child may qualify under the following criteria:

- a) As a resident in a congregate care facility
- b) As a resident OR student with intellectual or developmental disabilities

*Please see the link below for a list of additional comorbidities

At this time, Green Chimneys is unable to administer the vaccine. However, we are keeping our staff and families up to date with distribution points across the state. Please reference the following link to search for available appointments near you. It is also recommended to follow your local health department on social media as they frequently post distribution sites.
